Additional Donation Details

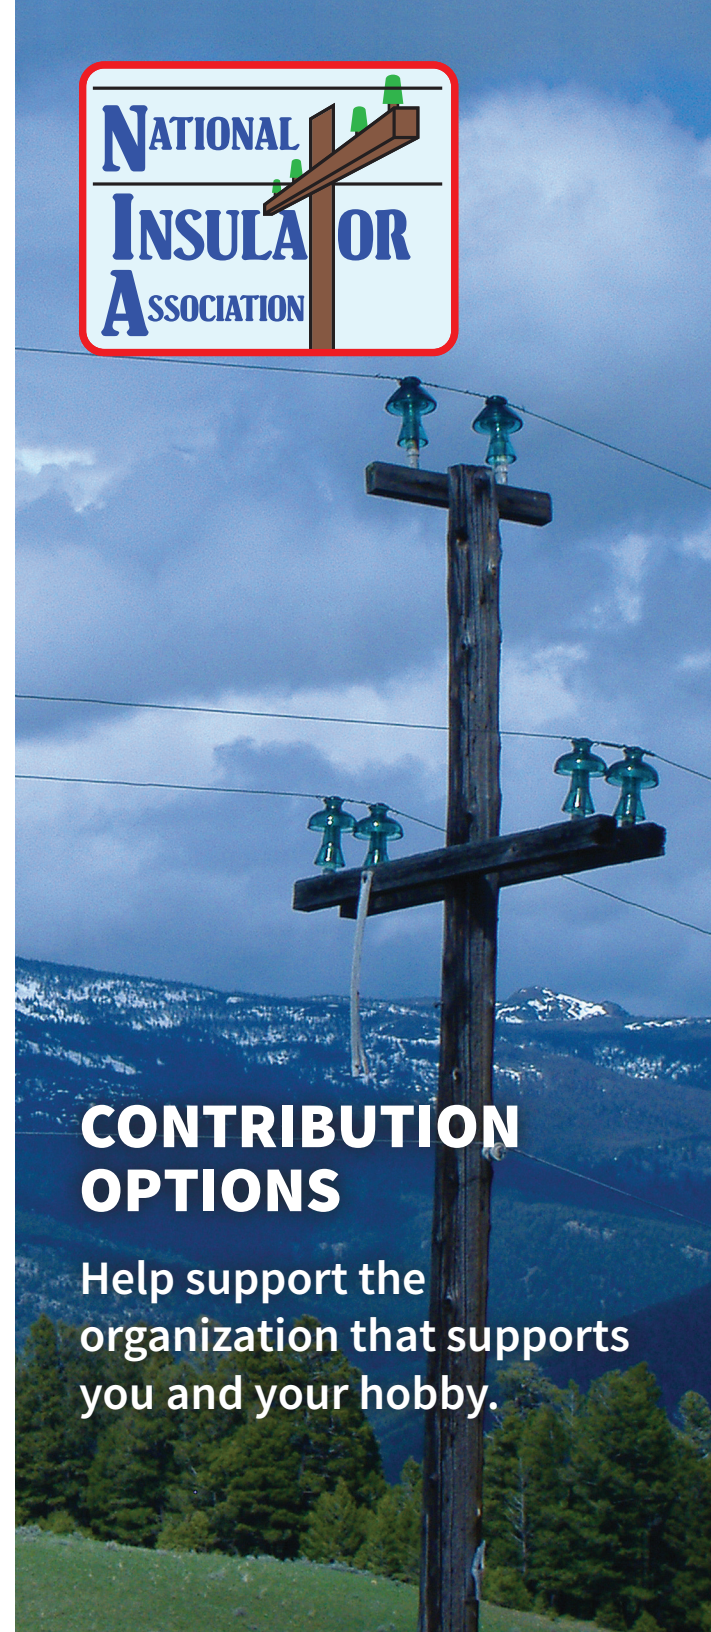

The NIA is a 501(c)3 nonprofit organization so gifts may be tax deductible. Gifts and donations will help the Association improve our benefits and services. Your donation, sponsorship, and/or consignments, helps the NIA continue its mission to encourage growth and public awareness of the insulator hobby through collecting, dealing, and educational endeavors.

At the end of the fiscal year (Dec. 31), all donations of \$10.00 or more, will receive a "Thank You" letter from the NIA President which can be used for potential tax deductions. If you donate an item such as an insulator to the NIA, you would have to declare the value to use as a deduction.

For additional information regarding gifts to the National Insulator Association, please contact the NIA Development Committee at: donations@nia.org

Thank you again for your support and participation in the Insulator Collecting Hobby and the National Insulator Association.
