

### GREATER CHICAGO INSULATOR CLUB NEWSLETTER Club member of the month: Tina Rienstra

Volume 31, Number 9 October 2023

### **Ottawa, Illinois GCIC Show Report**

Many thanks go to all those who contributed to an outstanding show held on Saturday, September 16, 2023 at the home of Tom and Mary Nugent.

My top thanks goes to the club member of the month, Tina Rienstra for her behind-thescenes accounting of each auction lot winner's bill. As each sheet of winning bids was filled, it was run over to her to transfer the information to individual bidder sheets. The job was made especially difficult for a number of reasons. First, there were 38 bidders, 29 of whom won something in the auction but there were not enough bidder sheets for that many people so she quickly improvised and kept track of four bidders on the back of one of the auction result sheets. Second, there were a record number of lots in the auction with the total reaching 171. The previous record was 154 at the Ottawa swap meet held last year in 2022. Third, auction lots were sold at a blistering pace, taking only 105 minutes to get through all of them. The hour and 45 minutes tied the record for longest lasting auction previously reached at the 2019 Tama, Iowa show. Despite the pace, at the end of the auction, Tina only needed a few minutes to have every successful bidder's bill calculated.

Of course, Tom, Mary, and the entire Nugent family should be thanked for a wellorganized, and high-quality event. The food on Saturday was excellent and early arrivals on Friday were treated to pizza and beverages. Delicious doughnuts were available Saturday morning and multiple desserts were enjoyed Saturday afternoon. Some people even took food home to eat afterwards. A huge open-sided tent was set up on the lawn which was needed when the rain finally let loose around noon. Several tables were available for those who did not bring one. By Sunday, the family had already taken everything down and put it away.

Thanks to all the bidders. There were a record number of successful bidders although by the fifth lot of the auction, it seemed like Nathan Velasquez was going to win every lot. In total, 29 people were successful in winning at least one lot which exceeded the previous record of 28 held by the January 2022 "Beat the Winter Blahs" show. Thanks to Ben Nicholas for breaking Nathan's grip on all the auctions and opening the floodgates for other bidders.

Thanks to all those collectors who added items to the auction. The 16 sellers were a record number. Tom Nugent was especially glad to sell so many insulators. Now he mostly has sales stock left. The 10% earned on every sale netted the club \$136 which was turned over to the Nugents to help cover expenses.

Greg Delia and his mother deserve a big, "Thanks." Greg recorded all the results for the auction and his mother ran them from the auction to Tina Rienstra so she could compile results while the auction was taking place.

I was not thankful for the weather for some of the swap meet. Although the cool temperatures were nice, it started to rain during the auction and was heavier in the early afternoon when people were leaving.

Justin Perault with his car stuffed with his auction winnings.

At the Rochester, Indiana swap meet, a box of spools embossed C.O.P. was sold by Mike McLaughlin. Unfortunately, no one knew what the embossing stood for. Another box of these spools was sold by Mike at the Ottawa swap meet but this time Mike knew what the marking meant. It stood for Carey, Ohio Porcelain.

If you would like to buy one of these spools, both Jennifer Alley-Fisher and Rick Soller now own a quantity of them. Bonus Pictures for Those Who Get the Newsletter Electronically
